UPGRADE TO ZIP & LINK BED

+ £240

A zip and link bed is a bed that can either be set up as one luxurious double or separated into two single beds. They offer a very flexible sleeping solution and for this reason are particularly popular in hotels and guest houses. They fit together very easily and can be taken apart to form an entirely different sleeping arrangement in a matter of minutes. The base of a zip and link bed is joined at both the head and the foot by linking bars. The mattresses are joined together using zips.
